

A120 Crown Interchange to Little Bentley Roundabout Concrete Surface Repairs and Maintenance

e-Bulletin – 19 November 2024

Cancellation of closures: A120 Crown Interchange to Little Bentley roundabout concrete surface repairs and maintenance

We regret to inform you that scheduled night closures on the A120 Crown Interchange to Little Bentley roundabout planned for **Tuesday 19 November through to Friday 22 November** will be **cancelled**. This decision has been made due to the anticipated cold weather, with the low temperatures preventing us from pouring and curing concrete to the required quality standards.

We are closely monitoring weather conditions and will reschedule the affected activities at the earliest opportunity once conditions allow.
